

Nurture Ohio ROP Updates

Enhanced Features include:

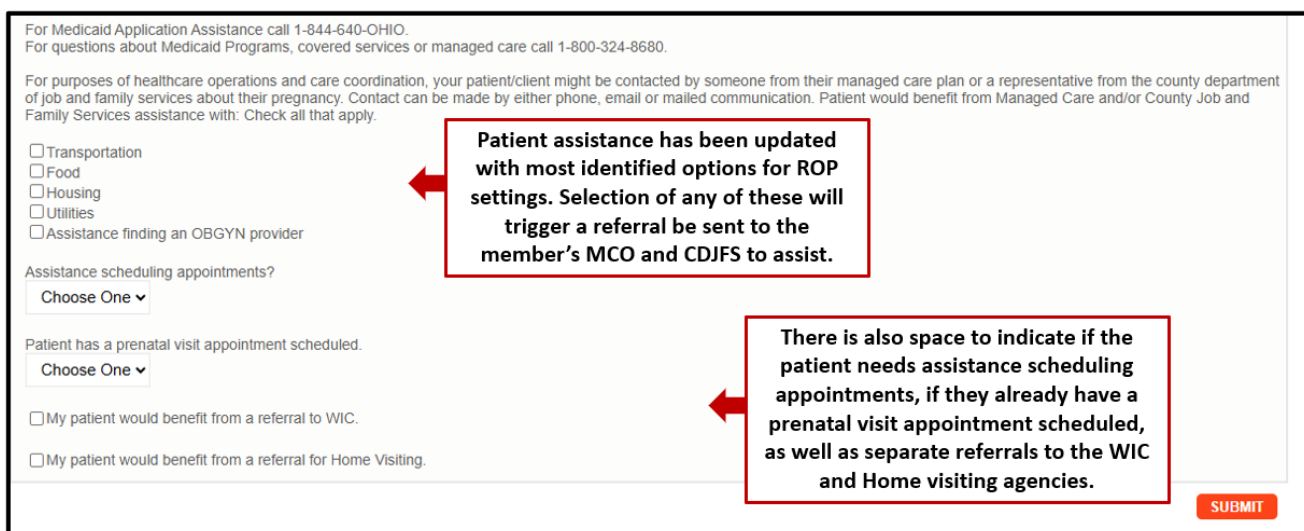

- **New Field:** “Primary Language (if not English):”
 - This field appears only when “Primary Language is English?” is answered “No.”

*Primary Language is English?
No

*Primary Language (if not English):
Choose One

- **Modified field:** “The name of the person at my site who should be contacted with updates/questions about this form is:” will now be required only when the question “I would like my patient’s Managed Care Plan to communicate with my office regarding an urgent need.” is answered “Yes.”
- **New section:** Patient would benefit from Managed Care and/or County Job and Family Services assistance
 - This newly added section prompts submitters to identify specific patient needs. Selecting a need will automatically trigger a referral to the patient’s Managed Care Organization (MCO) and County Department of Job and Family Services (CDJFS).
 - Patient need options include: Transportation; Food; Housing; Utilities; and Assistance finding an OB/GYN provider.
 - Submitters are prompted to indicate whether the patient:
 - Assistance scheduling appointments (Yes/No)
 - Patient has a prenatal appointment scheduled (Yes/No)
 - This information helps MCO and CDJFS staff provide appropriate support.
 - Submitters are prompted to indicate if the patient should be referred to WIC and/or Help Me Grow Home Visiting.
 - Once the ROP is submitted, the Ohio Department of Health and the Department of Children and Youth are automatically notified if these resources are selected.
 - Fields in this section are not required, but submitters are **strongly encouraged** to complete them when relevant.

For Medicaid Application Assistance call 1-844-640-OHIO.
For questions about Medicaid Programs, covered services or managed care call 1-800-324-8680.

For purposes of healthcare operations and care coordination, your patient/client might be contacted by someone from their managed care plan or a representative from the county department of job and family services about their pregnancy. Contact can be made by either phone, email or mailed communication. Patient would benefit from Managed Care and/or County Job and Family Services assistance with: Check all that apply.

☐ Transportation
☐ Food
☐ Housing
☐ Utilities
☐ Assistance finding an OB/GYN provider

Assistance scheduling appointments?
Choose One

Patient has a prenatal visit appointment scheduled.
Choose One

☐ My patient would benefit from a referral to WIC.
☐ My patient would benefit from a referral for Home Visiting.

Patient assistance has been updated with most identified options for ROP settings. Selection of any of these will trigger a referral be sent to the member’s MCO and CDJFS to assist.

There is also space to indicate if the patient needs assistance scheduling appointments, if they already have a prenatal visit appointment scheduled, as well as separate referrals to the WIC and Home visiting agencies.

SUBMIT

- **Removed fields:** The following fields have been removed and replaced by the new assistance section above:
 - “Finding an OB/GYN provider?”
 - “Information on additional resources, services, WIC, and home visiting.”
